### PRODUCER INFORMATION

An inspection was conducted of Shane's World Studios pursuant to 18 USC 2257 and 28 Code of Federal Regulations Part 75. The inspection was conducted at Shane's World Studios on May 7, 2007, at 9744 Variel Ave., Chatsworth, CA 91311. Also present and assisting with the inspection was Shane's World Studio employee [REDACTED]. [REDACTED] is responsible for maintaining Shane's World Studio's 2257 records.

### INSPECTION SUMMARY

DVDs produced by Shane's World Studio were ordered from the internet. Contract inspectors reviewed ten DVDs and identified all performers by stage name or by still photographs taken from the video. All videos reviewed contained the required 2257 information in the proper format. A total of 124 performers were identified as appearing in the ten DVDs. Prior to the inspection, contract inspectors printed several still photographs of each performer's face from different camera angles. During the inspection, the still photographs were compared with the performer identification on record to ensure the identification was, in fact, of that performer.

After the inspection on May 7, 2007, it was determined Shane's World Studio had no 2257 violations.

During this inspection, all provisions of 18 USC 2257 guidelines were followed by the inspection team.
